Fabulous Fiesta, an exhibition of Fiestaware ceramics, is on display at the Museum of Ceramics, Fifth and Broadway in East Liverpool. The exhibit was unveiled during the museum's 30th anniversary party in early December. It includes every color of the locally made (Homer Laughlin China Co.) ware since production resumed in 1986, as well as other memorabilia. For young people on vacation from school, the museum also is offering a scavenger hunt in which they search the museum for answers to a quiz. The gift shop, which includes jewelry, calendars and pottery, will be open today from 9:30 a.m. to 5:30 p.m. (the museum closes at 3:30 p.m.).
